

TO THE MEMBERS OF THE SAN FRANCISCO BOARD OF SUPERVISORS:

We, the undersigned, are asking that you **fully restore the San Francisco Public Defender's budget** so it can adequately provide legal representation to the 29,000 San Franciscans who rely on the office for services each year. This will ensure that all San Franciscans have equal access to our justice system. It will also save the city money which can be used for other vital services by avoiding having to refer cases to private attorneys at a greater overall cost. Thank you.
